

# Welcome to St Neots Regatta 2022

We're delighted to host you on our stretch of the Great Ouse again.

With restrictions behind us, the regatta is 'back to normal,' so you can look forward to a full schedule of racing, food and drink served in our main marquee, and a return of the Saturday night party!

Saturday's racing over 1,000 metres begins at 08:30, with races scheduled every three minutes. Sunday's racing over 500 metres also begins at 08:30, with races scheduled every two minutes.

You'll find all the information you need for the weekend in our new online programme. (If you lose the link, look out for the QR codes dotted around the regatta meadow!) All information will also be displayed on notice-boards outside race-control, and feel free to ask any of our volunteers for help.

We give thanks to all the volunteers who make this event possible, the many friends of the club who support this event year-after-year, the official organisations that support us, our sponsors, and the competitors.

We wish you luck in your races and hope you enjoy the weekend,

St Neots Rowing Club
